

Submitted Art

RULES & GUIDELINES

1. The use of copyright elements is strictly prohibited. Including but not limited to: Disney, Warner bros, Movie characters, Coca-Cola etc. Using any copyright elements will result in an instant disqualification.
2. All Hand in entries submitted into the NZ Nail Competition must never have been submitted into any other competition worldwide.
3. All Hand in entries must be completed prior to the competition.
4. Competitors must only submit their own work. Please ensure all aspects of your piece is completed by you. The head Judge reserves the right to ask a competitor for a verbal explanation or to recreate a portion of their submitted art.
5. Any nail tip/tips used may be purchased or custom made. If the tips are created by hand, they must have the similar proportions and c-curve as commercial tips.
6. All entries must be submitted at registration and left at the competition until after the close of prize giving.
 - Any entries not submitted during comp day registration run the risk of not being Judged.
 - Any entries left after the close of the competition prize giving will remain the property of NZ Nail Competition.It is the competitor's responsibility to retrieve their work at the designated time and place.
7. Hand in Submissions may be accompanied by a short typed or handwritten description of the work involved. An example of this would be if there is something specific you wish to mention. Such as a special technique, or something used in a new or unusual way. Please no Brand names. The descriptions must be short and easy to read and will not be judged.
8. Please ensure you display your work on boards or card no larger than the measurements given for the category. Any displays that exceed the requirements will result in a 5 point deduction and run the risk of not being displayed. please DONT name your work.
